

Meadowlark Service League invites you to participate in the 2016 edition of **A Taste of Camarillo** which takes place this year on **Sunday, July 31**. This premier wine and food tasting festival will again be held on the beautiful grounds of the Adolfo Camarillo Ranch. We are excited to introduce a Western twist this year with lots of new venues including a beer Lounge, a VIP experience, as well as The Beak & Barrel Pub featuring over a dozen breweries. We will be entertained by a western-theme band which will perform throughout the day. We hope you will join us for an afternoon of good food, good wine and lots of fun in an historical park-like setting. **Sunday, July 31, from 1 until 4 p.m.** will be the perfect time to welcome your customers and our patrons with tastes of your special foods and recipes.

Last year, more than one hundred restaurants, caterers, and wineries generously donated food and wine that were sampled by over 2,000 attendees. Restaurants and caterers are responsible for providing the food they serve, serving containers and utensils. We will set up your booth and provide the tables, linens, chairs, water, ice, and signs. Each guest will be given a wine glass and tray. Everything will be ready for you to bring in your food and serve it. This is a great opportunity for you to introduce yourselves to many potential new customers. Restaurants and caterers who participate will receive acknowledgment and exposure at the event, as well as through our advertising and publicity efforts throughout Ventura County.

The Meadowlark Service League is an organization dedicated to raising funds for charitable groups that provide services to the greater Ventura County area and for scholarships to high school graduates. All proceeds from this event will be used for scholarships and to support organizations such as the Camarillo Boys & Girls Club, Make-A-Wish Foundation, the YMCA, Food Share, the Rescue Mission, the Brain Injury Center, Camarillo Hospice, the Camarillo Ranch Foundation, the Cancer Center of Ventura County and the Alzheimer's Association.

We hope we can count on you to join us for this very exciting and fun fundraising event. This is a prime opportunity for you to support your community, while showcasing your business at the same time. Please mark your calendar for **Sunday, July 31, 2016**, and email or fax the attached response as soon as you make your decision. If you have any questions, please contact either of us. Thank you!

This year, as last year, the County of Ventura requires each vendor to provide a (for profit entity) Declaration Form, (which states you will not be selling your food at our event); and the City of Camarillo requires proof of Liability Insurance (cover page only). A member of our team will contact you later to assist you.

Sincerely,
